We are Happy to See YOU :)

At Watine, we're proud to be a small business with big dreams. Your support means everything to us and fuels our passion to grow and improve. Thank you for being a part of our journey!

Care & Use

- Wash all components thoroughly before first use.
- Dishwasher safe, but avoid commercial-strength appliances or high heat settings.
- Avoid dishwashing detergents with high levels of chlorine or bromide to maintain thermal performance.
- Dishwashing may age the appearance faster than hand washing.

For stubborn stains, soak overnight with warm water and baking soda.

Use the included cleaning brush for washing the straws.
